About School:

Nirmal Ashram Gyan Daan Academy (NGA) is an English Medium, Co-educational, Totally Free, Senior Secondary Day School, affiliated to CBSE, Delhi. Nirmal Ashram Gyan Daan Academy stands as a beacon of hope and opportunity for children from underprivileged sections of society, offering them free education and a chance to build a brighter future. This charitable institution is dedicated to breaking the cycle of poverty through the power of knowledge, ensuring that every child, regardless of their socio-economic background, has access to quality learning. The academy not only focuses on academic excellence but also emphasizes holistic development by fostering values, skills, and character in its students. By providing this invaluable service, Nirmal Ashram Gyan Daan Academy is transforming lives and empowering the next generation to contribute positively to society.

The School started functioning in April 2004 with 178 students admitted for LKG to II Classes. A Class was added every year to make it a full-fledged Senior Secondary School. In April, 2011, the School was affiliated to Centre Board of Secondary Education, Delhi. The School has given 100% Results of Classes X and XII in every academic session.

It is all the grace and blessings of His Holiness Mahant Baba Ram Singh Ji Maharaj and Sant Baba Jodh Singh Ji Maharaj that NGA is functioning successfully to attain its noble aim of producing highly motivated, capable, devoted and disciplined students. For the selection of students, the School Management has appointed a Committee which goes from door to door to meet parents of the children to ensure that only needy and deserving children would get admission in the Totally Free School. Under the most valuable and imaginative guidance of holy saints, NGA is thoroughly absorbed in redefining the destiny of young children - the most valuable assets of the Nation.

The School is spread over a picturesque estate, replete with natural green and clean environment. School impart quality education to students based on moral and spiritual values.

The School is served by well-qualified, hard working and devoted teachers and staff. In addition to excellent academic instruction, school students are also provided state-of-the-art facilitators like well equipped Science Lab, Mathematics Lab, Computer Labs and well stocked Library.

Vision:

Uplifting of the economically weaker strata of society through quality education.

Mission:

To impart quality education to the children of those who could not afford to send their children to good schools.
